Four products. *One crop.*

Every grade runs through the same seven-stage line, Sortex included. They differ in how tightly the seed is sorted and, for IPM, in residue. If your spec is different, send it and we will tell you straight whether a lot can meet it.

Singapore 99%

Full line, Sortex-cleaned. Usually sold to Gulf, South and Southeast Asia.

Details on page 03 →

Europe 99.5%

Plus indent cylinders, tighter Sortex. For EU and North American manufacturers.

Details on page 04 →

IPM low-residue 99.5%

As Europe, selected on residue results. For strict EU MRL limits.
